

Wisconsin's No Call List has improved the quality of our lives! I want our law to remain as it is. We do not want to be exposed to telemarketing from a businesses or its affiliates simply because we have had contact with the business. Please listen to us consumers and put us first, not the big banks and telemarketers!!! If you weaken our law and allow them to call and harass me at home, I along with many others will get rid of our home phones and just use our cell phone. We planned on doing this until Wisconsin's No Call list came into place. Please, please - don't weaken or change our law!
